

David Geffen School of Medicine

2015-2016 Medical Student Council Mission, Vision, Goals

Mission Statement

As members of the Medical Student Council, we will strive to positively influence student life through advocacy, policy, open communication, and leadership

Vision

A DGSOM community with a unified education enterprise, transparent and effective communication between students and administration, and strong student leaders

Theme

Impact through Innovation

Goals

Foster student and administration leadership that resonates through the years

Ease transition for new members of the DGSOM community

Encourage, facilitate and demonstrate mentorship

Support and cultivate ideas and initiatives; encourage innovation

Lead transparent and effective communication between the student body and administration

Identify and address the diverse needs and concerns of the DGSOM community

Serve as the unified voice for all members of the student body
